**2013**

Establishment of OM Consultancy anchoring our modern multi-disciplinary engineering capabilities.

**100%**

In-house integration of structural design,MEPF and turnkey execution.

# The "One-End" Solution vs. The Industry Standard

 **Engineering & Execution**

 **Timelines & Overheads**

 **Accountability**

## The Industry Standard (Multi-Vendor)

Siloed structural engineers and other Consultant disconnected from PMCS and site contractors.

High risk of delays, miscommunication, and bloated overheads.

Diffused responsibility and finger-pointing during crises.

## The OM+Stallion Solution

In-house engineering core perfectly synchronized with turnkey execution teams.

Accelerated timelines through central management and eliminated vendor friction.

A Single Point of Contact for the entire project lifecycle.

# Shaping Skylines: Residential Township Specialists

Redefining regional living at scale across the Various City's.

## Monalisa, Vadodara
